Our Weekend Brunch

In honour of the remarkable **Frida Kahlo: Making Her Self Up** exhibition at the V&A, escape to a corner of South America by experiencing Our Weekend Brunch as we bring the sounds, colours and flavours of Mexico to the heart of London's entertainment district.

This summer, the V&A will explore how Frida Kahlo, one of the most recognised artists and women of the 20th century, fashioned her identity.

Frida Kahlo: Making Her Self Up will be the first exhibition outside of Mexico to display clothes and intimate possessions belonging to the artist, reuniting them with key self-portraits and photographs to offer a fresh perspective on her work. The exhibition runs from 16 June - 4 November 2018.
